

# NASHVILLE STATE CARES

## CARE PACKAGES FOR WHEN SCHOOL IS OUT OF SESSION

At Nashville State Community College, we are all about community. In 2020 the Tennessean reported 17% of Nashvillians lack food security; that's unacceptable. At Nashville State we don't want anything to get in the way of students succeeding academically, that's why the NSCC Foundation has created Beyond Financial Aid Programs to ensure that our students' have their basic needs cared for so that they can focus on excelling in the classroom.

One of those programs is The Campus Cupboard which provides groceries and personal care items for students. The Cupboard is open to all students; however, it's closed between semesters.

**Nashville State Cares is an extension of the Campus Cupboard and a new effort to ensure that students faced with food insecurity have what they need while school is out of session.**

This event will take place at all the locations where there is currently a Cupboard: Clarksville Campus, Humphreys Campus, Southeast Campus, and White Bridge Campus.

### ANY STUDENT IS ELIGIBLE AND CAN PICK UP A CARE PACKAGE AT THE FOLLOWING TIMES:

Thanksgiving Break	November 15th or 17th
Winter Break	December 6th or 8th
Summer Break	TBD
